Young Leader

Tata Mumbai Marathon 2024

Dear Rohan,

Greetings from United Way Mumbai!

Congratulations on becoming a Young Leader at the Tata Mumbai Marathon 2024.

The Tata Mumbai Marathon is Asia's largest sporting philanthropy event. It brings us immense joy to announce that the Tata Mumbai Marathon 2024 has raised INR 72.39 crore, with your contribution playing a pivotal role in achieving this milestone.

You are now part of a group of remarkable individuals below the age of 21 years, who raised over INR 1 lakh for charity through the event's philanthropy platform. Fundraising requires deep empathy, perseverance, and commitment to a cause. You demonstrated each of these as you raised INR 180501 for OSCAR (Organization for Social Change Awareness & Responsibility) Foundation. These contributions will go a long way in helping the organization further its mission and make a difference in our communities.

As the Philanthropy Partner of the Tata Mumbai Marathon, it is our privilege to be introduced to young people like you who are making our world a better place. Thank you for all that you do. We look forward to following your journey of philanthropy in the years ahead.
